

Facts vs Fantasy: Jerusalem

Islam --

Muhammad never set foot in it. Jerusalem antedated Islam by 2000 years. No sovereign Muslim state ever claimed it as a capital. Utilitarian for Islam.

Excluding modern-day insertions, Quran makes no mention of it.

Islamic control of Jerusalem's Temple Mount would stifle worship and signal to Muslims that the time for insurrections within their host countries nears.

Judaism --

Jerusalem -- Capital of the Jewish State.

Also, Capital of ancient Israel dating back to circa 1095 BCE. THE focal point of Judaism.

Jerusalem/Zion Scriptural References: 823 times in Hebrew; 161 times in Greek.

Jewish control of Jerusalem's Temple Mount equals freedom of worship for all nations.
